

1934 FORD TUDOR SEDAN

Grass Valley, California

Chassis: Modified original frame, fully painted charcoal metallic. Features a Chevy 350, a Turbo 400 automatic transmission, driving a fully chromed independent Jaguar rearend. Budnick aluminum wheels, and disc brakes at all four corners, turbo mufflers, battery off switch.

Body: Painted Dago Red, this original steel body is modified with a 3" chop and power sunroof. The 3 piece hood and running boards are steel, with fiberglass fenders. Handpainted graphics enhance the bodyline.

Interior: The comfortable ride is enhanced by air conditioning and the bucket seats up front and the large bench seat in rear. Interior is finished in grey tweed and features raised graphics in the door panels. CD, AM/FM radio, Classic instrumentation, Tachometer, Tilt Steering Wheel and tinted power windows complete the package.

Price: \$57,000
